## S.C. #910 – IMPROVEMENTS TO THE SANITARY SEWER COLLECTION SYSTEM IN THE HERRING RUN SEWERSHED PART 2: CHINQUAPIN RUN.

Dear Resident:

You are receiving this flyer because there is an upcoming project coming to your community. The purpose is to repair and re-establish the structural integrity of the Herring Run sewershed collection system, which involves sanitary sewer replacement and stream stabilization. The Department of Public Works would like to update you on the project's details.

We are committed to meeting with residents and stakeholders about our many initiatives to improve our water infrastructure and look forward to meeting with you on the below date.

**Thursday, December 3, 2015**

**6:00 p.m. – 7:30 p.m.**

**Morgan State University- Student Center Room 315
